

Engaging Faith Communities In Disasters Curriculum

This curriculum provides an overview of why and how to engage faith communities during disasters and public health emergencies. The modules demonstrate how diverse religious and cultural practice increases partner capabilities and builds whole community resilience. The course offers tools (tip sheets & a field guide set) and foundational skills to competently engage religious leaders and congregations in the field.

A portion of the material within this course was developed for the Emergency Management Institute (EMI) through a collaborative training partnership between FEMA's Center for Faith-based & Neighborhood Partnerships, DHS Science & Technology Resilient Systems Division, DHS' National Center for Risk and Economic Analysis of Terrorism Events (CREATE) at the University of Southern California (USC), the USC Center for Religion and Civic Culture (CCRC), and NDIN.

- Audience**
- CERT and MRC Teams
 - Disaster Responders and Volunteers
 - Faith-based Liaisons
 - Faith-based Organizations
 - Faith Communities' Partners
 - First Responders and Law Enforcement
 - Public Health Professionals
 - Religious Leaders
 - State and Local Emergency Managers
 - VOAD Members

Course duration and module options can be customized to meet participants' needs

Available Course Modules

- 1 Faith Communities as a Cornerstone of Whole Communities
- 2 The Value, Landscape, and Language of Faith Communities in Disasters
- 3 Ten Field Skills for Successful Engagement
- 4 Engaging Faith Communities through the LEADER Process
- 5 Tools & Resources for Engaging Faith Communities throughout the Disaster
- 6 Building a Databank of Local Faith Communities

Learning Objectives

- Frame the importance of engaging faith communities in disasters, and how diverse religious and cultural practice is protected by law and builds whole community resilience.
- Define the value and assets of faith communities and congregations in disaster operations.
- Understand the key aspects and structures of the diverse U.S. religious landscape.
- Build broader religious literacy and competency.
- Implement each step in the six step "LEADER" process for successfully engaging faith communities.
- Practice new field skills, including Dos and Don'ts around clothing, etiquette, food, footwear, greetings, head coverings, meetings, and physical interaction.
- Successfully engage faith communities, religious leaders, and congregations in the field.

Includes Supplemental Resources

5 Mass Care Tip Sheets

26 Tip Sheets For U.S. Religious Leaders

Field Guide

Religious Literacy Primer
