About the Greater Allentown CROP Hunger Walk

The Greater Allentown CROP Hunger Walk is a community event that raises funds and awareness to help end hunger both locally and globally.

The funds raised by sponsors and participants provide tools of hope that empower people to meet their own needs.

These needs can be anything from seeds and tools, to wells or new water systems, to technical training and even micro-enterprise loans.

Please visit: www.cwsglobal.org

We are grateful to all who are helping to end hunger around the world and right here at home through the [Conference Kitchen](#) and the [Allentown Area Ecumenical Food Bank](#).

Please note:

All donations are tax-deductible as allowed by law. The Church World Service Tax-ID is 13-4080201.

Helping to End Hunger

Over the last 43 years, the Greater Allentown CROP Hunger Walk has raised over \$935,700 to help end hunger in our community and throughout our nation and the world.

Hunger and poverty affect millions of people around the world. Parents are struggling to provide nutritious meals for their children.

As weather patterns change and seed quality deteriorates, farmers are struggling to earn a living.

CWS and our supporters are walking alongside vulnerable, rural, indigenous, poor people in their daily struggle to change the equation.

We're making sure that they have the resources they need to overcome scarcity and become more adaptive, resilient, and prosperous.
